Re: Café at the Clubhouse - Blue Ridge Homeowners Association, Inc.

Dear Mr. Baum:

This office represents Blue Ridge Homeowners Association, Inc.

The HOA Board of Directors has informed me that the Food Manager's Certificate they have been provided by SRD Caterers is in the name of Michael S. Meshel. The Board has further informed me that Mr. Meshel is not known to be present at the Café at the Clubhouse during hours of operation.

Article 13 of the Suffolk County Sanitary Code requires that a "person-in-charge" who holds a valid Food Manager's Certificate be on a food establishment premises during all hours of operation.

The License Agreement between the HOA and SRD Caterers requires that the Café be operated in accordance with all government rules and regulations. Accordingly, request is hereby made that you provide this office with either a valid and current Food Manager's Certificate for a person who is at the Café during all hours of operation, or with written assurance that Mr. Meshel will, from now on, be present during all such hours. Your failure to provide such documentation in a form acceptable to the Board and the Suffolk County Health Department within fifteen days of the date of this letter shall result in the immediate withdrawal of your permission to operate the Café as set forth in the Default provisions of the License Agreement.
