This is to inform you of a pending lawn care pesticide application to your community. You may wish to take precautions to minimize exposure to yourself, family members, pets and family possessions. Further information about the product or products being applied, including any warnings that appear on the labels of such pesticide or pesticides that are pertinent to the protection of humans, animals, or the environment, can be obtained by calling the National Pesticide Telecommunications Network at 1-800-858-7378 or the New York State Department of Health Center for Environmental Health information line at 1-800-458-1158.

This application will take place on the primary date unless deterred by weather conditions.

Instructions for the community: Keep children and pets off the lawn for 24 hours.
